

**REMARKS**

Applicants respectfully request the Examiner's reconsideration of the present application as amended.

Applicants submit that the title on the Notice of Allowance mailed 9/5/2007 is misspelled. Applicants respectfully request that the Examiner enter the correct spelling of "INFORMATION" in the title.

Claim 6 has been amended to provide antecedent basis for "management agent".

Applicants submit that no new matter has been added.

In the Notice of Allowance mailed 9/5/2007, the Office stated that an Examiner's Amendment was made to claim 20 where in line 3 --an-- is inserted after "in". Applicant would like to clarify that the --an-- should be inserted after "is", since there is no "in" in claim 20.

Applicants appreciate the Examiner's allowance of Claims 1, 4-11, 14-16, and 19-28. Applicants respectfully disagree with the Examiner's reasons for allowance to the extent that they are inconsistent with applicable case law, statutes, and regulations. Furthermore, Applicants do not admit to any characterization or limitation of the claims or to any characterization of a reference by the Examiner, particularly any that are inconsistent with the language of the claims considered in their entirety and including all of their constituent limitations.
